Thank you Chae,

Do you have the drawings referenced in Attachment A and the Sign-in Sheets referenced in Attachment C as well?

Additionally, is there an NOV number that I could reference in our response?

Chae,

I am informing you that yesterday, June 4, PSNS & IMF received the attached Notice of Violation (NOV) sent from the Environmental Protection Agency (EPA) Region 10 office. In the enclosed inspection report for the compliance inspection conducted on September 26, 2018, ATTACHMENT A - Schematic Diagrams and ATTACHMENT C - Sign-in Sheets are not included. Could you provide an electronic copy of the report so PSNS & IMF can verify we received the entire report?

PSNS & IMF looks forward to working with EPA Region 10 to resolve the issues referenced in the NOV and will be sending a formal response within 30 days, as required.

Thank you,
